

SPONSORS

Eligible Summer Food Service Program (SFSP) sponsors include any public or private nonprofit school food authority; public or private nonprofit residential summer camp; a unit of local, municipal, county, tribal, or state government; a public or private nonprofit college or university currently participating in the National Youth Sports Program; or a private nonprofit organization.

A food service program can be planned as part of an established recreation program, summer school session, or other planned activities. Programs may also be set up as independent food service sites.

SITES

Meal service may take place at one or more sites under the responsibility of the sponsor. Many types of sites are suitable for summer feeding, such as recreation centers, schools, churches, community centers, and facilities serving migrant children.

PARTICIPANTS

Eligible participants include people 18 years of age and under. Persons over 18 determined by a State educational agency to have an intellectual disability and participating in a public or nonprofit private school program can participate. Sites must serve all children regardless of race, color, national origin, age, gender, religion, or disability.

RECORDKEEPING

Claims for reimbursement are based on the number of children fed. Sponsors receive the meals times rate formula. Claims are due on the 10th of the month following the month meals were served. Accurate records must be kept.

Records of expenses must be itemized and maintained on file for review. Production and menu records for all meals and inventory records of foods used in SFSP must be maintained by the food service.

ASSISTANCE

Summer 2016 program reimbursement rates are:

	<i>Rural or Self-prep</i>	<i>All Others</i>
Breakfast	\$2.1325	\$2.0925
Lunch/Supper	\$3.7450	\$3.6850
Supplement	\$0.8875	\$0.8650

Advance funding is available for those sponsors who need assistance getting started. The amount of the advance will be deducted from future reimbursements.

Camps will receive reimbursement only for meals served to individual children determined eligible, upon review of their application, for free meal benefits.

For all other SFSP sites, when at least fifty percent (50%) of the children served meet eligibility criteria, the site is considered eligible and all participating children are to be served free.

Eligibility for children who are members of a household receiving SNAP/food stamps, TANF, or commodities on reservations (FDPIR) is based on their categorical status. Eligibility for all other children is based on the income guidelines.
